Hafa Adai **and welcome back to our returning Satellites and a warm welcome to our new Satellite students and their family. We had a great first week of SY 22-23! As we enter the 2nd week of school, our teachers will be reviewing school/classroom rules, administering assessments and reviewing content skills with them. We are very excited that we were granted 6 years accreditation with a scheduled mid term visit. We are very proud of this accomplishment and continue to work on our School Action Plan. We will be holding elections for new PTAC Officers so be on the look out for the date and time. A huge shout out to our Satellite Staff for working hard over the summer to get our school ready and our Awesome teachers are ready to engage all students in various learning opportunities. Let's continue to work together—it's going to be a SPECTACULAR school year Satellites. —Mrs. Beth Perez**
