April 2021

A Message from the Principal - Mrs. Nancy W. Diaz

Hafa Adai!

*We will be administering the District Wide Assessments (DWA) to students who participate in the Face-to-Face Model of Learning **in grades 3-5 only**. The tests will be done on Wednesdays & Thursdays running from May 5 to May 14. During this time, the intermediate level classes will be using part of the school day to complete the assessments. Primary level classes will not be affected.*

To ensure a smooth transition into the DWAs, we will be conducting a "mock administration" (practice run/test) of the daily schedule on April 28 & April 29.

We are kindly asking parents of face-to-face learners to ensure that their child/children do not miss classes during the duration of the testing period.

Thank you for your continued support. Go Satellites!
